WHAT IS THE TRUE TO YOU VIBE AND VOICE SYSTEM?

THE 3 UNIVERSALS OF PERFORMANCE FROM MOVIBE PRODUCTIONS

THE GREATER BEFORE THE LESSER!

Your ATTITUDE is the Greater
and everything else is the
lesser.

Attitude = Emotion

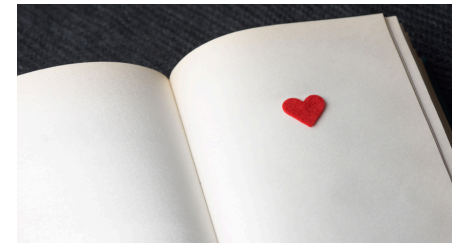

No Judgement
No Censorship

INTERIOR VS EXTERIOR

Personalize every choice you
make.

If you're looking to satisfy the
myriad expectations of the
exterior world, you lose the
magic of your inner world and
the uniqueness of YOU.

WHERE IS THE LOVE?

Find the love in every scene,
every script, every character,
every moment.

Not sentimental, predictable or
stereotypical - real deep down
love, positivity and connection
that requires self-awareness
and self-direction.

Let's Play!

Actors Audition Club Members and Monologue of the Month Members will be invited to a FREE Session. During this session Actors who are interested in Voiceover will have an opportunity to play with a wide range of copy in a wide range of applications. This gives the actor insight on how to marry their persona to marketability.

Moneen will provide insights along the way.

Actors who already have an audio reel may request analysis too.

Moneen will share success stories and will hang around for Q&A.

Those interested will receive 2 compelling and incentivized offers at the end of the session.

SUCCESS STORIES

THE POWER OF MICRO
NICHES

RYAN SNYDER

ACTOR, VOICEOVER

[Listen to Ryan!](#)

Ryan began working with MoVibe about 1 year ago. These days, he's booking NYC VO gigs while on set for Netflix.

JULIA WADE

CONCERT AND RECORDING ARTIST,
ACTOR AND VOICEOVER

[Listen to Julia!](#)

Julia has decades of International Concert Performing and album recording credits - Voiceover was new to her. Creating a cultured high end reel in VO actually helped her Agent and Manager see/hear her in a specific shining light!

GENO KIRKLAND

LA ACTOR AND VOICEOVER

[Listen to Geno!](#)

Geno has booked TV and Film Roles in the past in LA. Recently, he wanted to build a home studio, create extra revenue and use his bilingual skills. Geno's audio reel is on brand for Bad A\$\$ and shows off his language skills.
